Sir,

Subject —

In forwarding herewith the entire correspondence received from the Sub Division Officer, Dodballapur Sub Division, with his No.A2-183/37-38 dated 4-12-1937 regarding the alternation of the Municipal Boundary of Dodballapur Municipality, I have the honour to state that the Municipal Council have resolved in their meeting held on 11-4-1937 to extend the Boundary of the Municipality as proposed in the enclosed notification.

The reasons adduced for the alteration of the boundary are that the Dodballapur town has no revenue paying survey numbers and the Boundary as at present includes portions of lands belonging to certain adjoining villages of the town and much difficulty is being felt by the Municipal authorities, especially at the time of epidemic for controlling its spread as they cannot enforce the preventive measures to these villages, as they are not within the Municipal limits. Besides, the merchants of Dodballapur are reported to be stocking dutiable goods in the suburban villages and to be smuggling these goods the town. This results in heavy loss to the Muni

For the foregoing reasons the Council propose Municipal limits as proposed in the enclos.
